Cathy discussed a possible music trip to Ireland next April 2012. School Committee has given preliminary approval. This is in an attempt to attract students to the program and to give a cultural musical experience. The trip is organized by "World Cultural Tours". Cost as of now \$2199 per student. Informational meeting @ CMS June 22 with World Cultural Tours. All NHS and upcoming students from CMS will have the paperwork for this trip. Instrumental and choral students only. School Committee has asked that Cathy come back to them with a degree of interest from students & information gained from this meeting. PMA expressed fundraising concerns. Chuck asked to how chaperones will be covered & will that cost be covered by the trip costs? Nina mentioned having a similar raffle fundraiser as was done for the Annapolis trip. Carmel talked about planning all scheduled fundraisers & then having additional fundraiser for this trip. Many concerns about only having two student account fundraisers. The rest are general fundraisers. Many concerns regarding finances. Cathy mentioned that the tour representative

may raffle off air tickets for this trip. Everyone was in agreement that we won't have any idea of interest until the informational meeting.

**Camp Update:** Karen Mueller gave an account of 53 students so far signed up for camp. Need 100 in attendance according to camp contract. Cathy will check to see that paperwork was sent and distributed to the CMS students in the drama program as well. Mr. Conant has an additional 20 students that may be joining the MB. He will follow up with form returns.
