Ed asking for PMA members help in cross-checking the database lists to correct addresses, phone numbers and residents.

New Business: Chuck Moulton asked the board as to when is a good time to bring forward new topics for discussion. Brenda would like ideas to be e-mailed to her and she will put them on the agenda. Dotty suggested having a meeting in July/August about what the new plans for new board will be. Suggestion from Ed was to e-mail ideas to

Brenda and then they can be sent to the board as a proposal as things to think about so people can brainstorm ahead of time. Maybe agenda can be e-mailed to the board ahead of time?

Brenda will invite anyone to send her a list of ideas for future discussion. Please review the By-Laws if an issue has to do with them. Please research your items before forwarding to Brenda.

President Remarks: Welcome Deb Cronan to the Executive Board for next year. Thank you to the Howes for all their work on behalf of the Choral program.

Announcements: Summer meeting dates will be sent out to see what is convenient for the board. Plan for a meeting in July & August.

Meeting adjourned at 8:20pm.

Respectfully submitted by Terry MacDonald
